On May 3, 2013, Amped Up Sales LLC ("Applicant") filed an application seeking authority to operate as an agent, broker, or consultant engaged in assisting end users procure electricity and power in the State of Illinois under Section 16-115C of the Public Utilities Act. On July 15, 2013, Applicant emailed the Administrative Law Judge and stated that it would be filing a motion to withdraw its application as the need for the licensing that it sought was no longer necessary. Applicant, however, failed to properly file a motion to withdraw its application.

Accordingly, I recommend denying the application.
